Groundbreaking takes place at Stetson Village

Retail developer Pederson Group Inc. has broken ground on Stetson Village, a 144,360-square-foot neighborhood shopping center that is expected to open in the fourth quarter at the northeast corner of 39th Avenue and Happy Valley Road.

A 57,860-square-foot Safeway supermarket will anchor the center, which also has tenant agreements with Mini-Skool Early Learning Centers, the UPS Store and a dry-cleaning business.

Phoenix-based Pederson is working with K&I Architectures and Interiors of Phoenix on the project.
